GIRLS
meet
STEM

Sunday, December 8, 2024
Morning Session: 10:00 AM to 12:00 PM

Afternoon Session: 1:30 PM to 3:30 PM

Participants: Junior High School Students (7th to 9th grade)
Maximum 30 students per session
No registration fee

ICT

English and STEM combine for a unique experience to learn, create, and discover new possibilities and horizons!
It's your first step to becoming a global innovator and shining in your own way at ICT!

Two engaging workshops will be offered during the morning and afternoon sessions!*

Programming Workshop

Welcome to an exciting workshop where we explore the role of AI at ICT. Dive into the basics of AI and experience how it turns simple drawings into animations, bringing creativity to life.
(15 students maximum)

*If you want to attend both workshops, sign up for one in the morning and the other in the afternoon session!

Science Workshop

Let's explore the domains of physics and DNA! Come and enjoy as we bridge multiple sciences together into one exciting session that allows for creativity and discovery through science.
(15 students maximum)
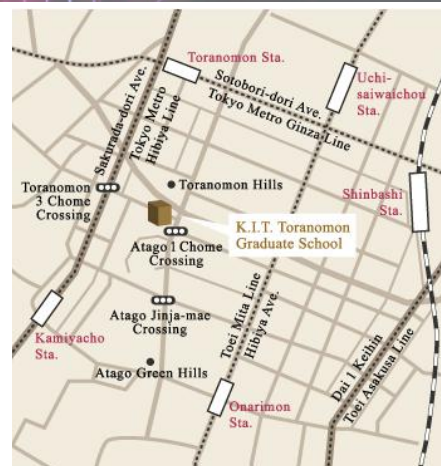

Session Schedule ▼

Morning | Afternoon

- ICT School Introduction
- ICT Student Talk
- Workshops
- Closing

During the workshops there will be a consultation booth set up for parents and guardians to talk directly with ICT faculty and staff!
